Bob,

Attached are pictures of our room and your tables.

I want to say how pleased I am with the way our Lecture Hall looks and have had quite a few complements on the new tables. I enjoyed working with the Franz Group, you were open to all my suggestions and very professional in the way you handled the details of acceptance of and changes to the final product. You were there to answer questions in a very timely manner and the personal attention you showed to me was greatly appreciated. I have to admit though at first I thought I was crazy, as did others, purchasing such a high price item over the Internet, sight unseen, from a company virtually unknown except from a website and putting the design, specs, etc together via e-mail!

But I'm glad I did and it was a pleasure working with you and would be happy to recommend your company to others.

Sincerely,  
Ty Wamasch
